## STUDENT GRIEVANCE REDRESSAL CELL

### ANNUAL REPORT-2022

The Grievance Redressal cell committee decided to create a Maintenance Register in the office. Any person on the campus shall report the maintenance issues that require attention in the register. Committee should encourage the students to express their grievance or problems. After resolving the maintenance issue, non-teaching staff should report on action taken with date.

Internal committee is added to the cell for an effective governance, and login book at the gate for all including inward and outward should be maintained.

## ANTI-RAGGING COMMITTEE REPORT

The Principal addressed the newly admitted students in the orientation program and discussed about anti- ragging. It is decided to have separate lunch time for 1<sup>st</sup> year students and seniors. Each bus is given a bus coordinator in college bus to curb the incidence of ragging. Committee formulated a rule that each batch of fresher's are divided into small groups and each group is assigned to a staff. And phone numbers of the all the anti-ragging committee members are available to the freshers.

## STUDENT GRIEVANCE REDRESSAL CELL ANNUAL REPORT - 2021

The student grievance redressal cell decides to eradicate any evil activities on ragging. In this regarding the committee made the following measures

1. Surprise visit should be made in the campus every day.
2. Students should be made aware of the punishments for ragging by conducting seminars with police department.
3. Actions should be taken to completely ban ragging.

To achieve these measures sub-committees are formed and they are made responsible for monitoring the progress and effectiveness of the resolutions and report back on regular basis to the committee.
